

LINI 910 LAMBRUSCO ROSSO \$22

Lini 910 makes excellent lambrusco and has only recently been available in Australia. There are still enough warm days left to enjoy this refreshing drink chilled. It's dark red and enticing with loads of big bubbles as soon as it's poured although they dissipate quickly. There is plenty of red berry fruit, smoky, savoury with some grippy tannins offset by cleansing acidity and a fresh finish. Available at Blackhearts & Sparrows in Brunswick and Fitzroy plus Rathdowne Cellars Carlton.
